

Greetings Men,

I have spoken with you in the recent weeks about the possibility of you, your church or your business partnering with Noble Warriors to host a Men's Fraternity group starting in September. With this message, I hope to move us further in that direction. Currently, we have at least **35 potential groups** of *Winning At Work and Home* that could launch during the second week of September.

Please do the following:

Read the attached document titled "Men's Fraternity Group Preparation Stages" and let me know where you fall on the continuum: cold, cool, warm, hot, ignited.

If you are cool: Follow the advice under the cool listing, please consider contacting a leader from last year and ask some questions. These guys all have stories about the impact of Men's Fraternity.

If you are warm: Follow the instructions under the warm listing. I have also attached the documents listed there for your review.

If you are ready to purchase material, please let me know. I have five DVD sets and 50 workbooks available at my office. There are no discounts on the material. The DVD sets are \$300 regardless of whether you purchase them from LifeWay or the Men's Fraternity Website. If you want one of the sets I have in my possession I will need to collect a check when you get the material.

(If you plan to order to material personally, I suggest you order it through the Cross Reference Bookstore at Robert Lewis' church, Fellowship Bible Church in Little Rock Arkansas. The number for the church is (501) 224.7171. When you get the bookstore ask for David, the manager. When you place the order, tell him that you want to order through Bernie Ritterbush (the field rep. for our area) and request the free shipping.)

I have already talked with many of you about a summer training schedule. We have worked out the schedule but I want to be able to give you some meeting dates that we will use to connect and discuss our preparations for the September launch. I'll get that information out to you in the next week or so. In the mean time, if you have other questions please don't hesitate to contact me.

I'm excited about how God has already used men who were willing to step out and lead other men. When you make yourself available to Him, the blessings are huge.

Serving Adventurously,

Mike Young
